what was involved?

240 schools selected...

...contacted in Fall 2014.

we sent consent forms home 1-2 weeks before.

by law, all of your answers are confidential!

...about feelings, behaviours, classroom, and school.

questions for students, teachers, and principals...

these surveys will help us understand the influence schools have on student mental health

Thank you to those who participated in the 2014 School Mental Health Surveys!
